

Gauge

- very BIG
 - huge variety
- ⚠ Relax !!

Rough surface

- Shifting of position
- ⚠ Relax !!

Right Hand

- fingers like chisels
- opposite as Russian style

Left Hand

- No Vibrato
- Don't press (or it sounds like frets)

first time trying Gut Strings

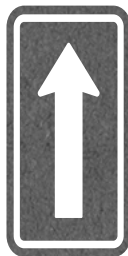

⚠ Relax !!

Bow

- light
- convex
- frog and tip do different things
- how to tense it
- how to hold it
- contact point with the string
- contact points of the hairs with the bow
- little quantity of big hairs

⚠ Relax !!

Position of the instrument

Gut strings are like spoken words
Every note has a different tone and personality

NO OMOGENEITY - EDUCATE EARS
